In the event **we** confirm **we** can continue providing coverage for the new **country of residence** following any change to **your** or any other **insured person's country of residence**, this may result in an increase to the premium or additional tax becoming payable.

All **policy** amendments are at **our** discretion, and **we** can decline the request without reason.

8. Cancellation and Cooling-Off Period

Cancellation by **you** - This is an annual **policy**. Whatever payment terms are selected by the **policyholder** and accepted by **us**, the agreed **annual premium** is due, and the **policyholder** agrees to pay.

Cancellation by the **policyholder** is only available during a fourteen (14) day cooling off period which commences on the day that the contract is concluded or the day that the full **policy** terms and conditions are received, whichever is the latter.

The fourteen (14) day cooling off period also applies from each **renewal date**. If the **policy** is cancelled during the fourteen (14) day cooling off period **we** will return any **premium** paid for the **policy**, less any bank charges, foreign exchange costs incurred in the transactions and providing no claims have been paid in relation to the **period of cover** before cancellation (being no more than fourteen (14) days cover).

If the **policyholder** does not cancel the **policy** during the fourteen (14) day cooling off period the **policy** will continue for the full annual term, unless **we** exercise **our** right to cancel the **policy** under the below clause.

Cancellation by **us** – **We** will not cancel this **policy** because of eligible claims made by any insured person. **We** may at any time cancel this **policy** if any **insured person** has:

- a. Relocated to a territory where **we** are unable to provide cover under this **policy** or has notified **us** of a change to their **country of residence**. In these circumstances a pro-rata refund of **premium** will be allowed, less any foreign exchange charges.
- b. Been accepted into a recognised state or public insurance scheme in their **country of residence** which means this **policy** is no longer

- c. Failed to pay any **premium** on the due date. In these circumstances **we** reserve the right to pursue the **policyholder** for recovery of any outstanding **premium** and costs **we** incur.

If **your** circumstances have changed and **your policy** is no longer required, **we** may consider a refund, the amount refundable depends on **your** circumstances.

No **premium** will be refunded under any circumstances where claims have been made under the **policy** in the current **period of cover**.

Bermuda law shall govern all rights and claims raised under the **Master Policy**, as evidenced by this **Certificate of Insurance**.

10. Policy Language

This **policy** is written in English and all other information and communications to **you** relating to this **policy** will also be in English unless **we** have agreed otherwise in writing. Where **policy** documents or other documents are provided in a language other than English for convenience, the English language version will take precedence in the event of any dispute.

11. Other Insurance

If there is any other insurance **policy**, a national health fund, or a body or institution covering any of the same benefits as provided by this **policy**, **you** must disclose or ensure that the relevant **insured person** discloses the same to **us**. **You** must provide **us** with full details of the other coverage, including the name and address of the coverage provider, ID reference or **policy** number, and claim number and any other relevant information, when **you** first submit **your** claim. **We** will then contact the other coverage provider which may involve **us** sending them **your** personal information regarding **your** claim, in accordance with **our** Privacy Policy. **We** shall not be liable to pay or contribute more than **our** proportionate share.

12. Third Party Rights

The only parties to the **policy** are **you** and **us**. No other person is a third party beneficiary or has any right to enforce the **policy** wording or any part of it. Any person or company who was not a party to this **policy** has no rights under the Contracts (Rights of Third Parties) Act 1999 or any subsequent legislation.

Notwithstanding any law, statute, judicial decision, or rule to the contrary which may be or may purport to be otherwise applicable within the jurisdiction, locale or forum state of any healthcare or medical service provider, no transfer or assignment of any of the **insured person's** rights, benefits or interests under this **policy** shall be valid, binding on, or enforceable against **us** unless first expressly agreed and consented to in writing by **us**.

Any such purported transfer or assignment not in compliance with the foregoing terms and conditions shall be without effect as against **us**, and **we** shall have no liability of any kind under this **policy** to any such purported transferee or assignee with respect thereto. The terms of the **policy** shall not be waived, modified or changed except by **our** express written agreement.

For claims relating to **dependants**, all communication will be with the **dependant** if they are aged over sixteen (16) years of age at the time of the communication, unless permission has been given to the **policyholder** by the **dependant** that claims communication can be with the **policyholder**.

16. Foreign Exchange Adjustments

Foreign Exchange Adjustments on claim payments – **we** will pay the cost of **treatment** in the currency incurred. **We** will use the foreign exchange rates available to **us** on the date of **treatment** to determine the benefit level available. **We** will calculate the cost of the **treatment**, incurred in the **policy** currency, including any foreign exchange charges and will deduct the total sum from the amount of benefit available and will notify **you** of the amount of benefit remaining (if any) in the **policy** currency. Note that in some circumstances, depending on currency movements over which **we** have no control, this may result in there being insufficient benefit available to fully pay for the **treatment** received.

17. Policy Suitable for Use

You should ensure that this **policy** will cover **you** in **your country of residence**, as some countries require residents to take out health cover

through a local provider or to hold cover which meets certain compulsory requirements. Similar requirements may apply to certain industries. The cover offered by **us** may not meet these country or industry specific requirements and therefore additional cover may be necessary.

We reserve the right to terminate this **policy** with immediate effect if the law of the country in which **you** are located, or **your country of residence** or **country of nationality**, or any other law which applies to **us** or this **policy**, prohibits the provision of healthcare insurance by **us** to **you**.

- b. may recover from **you** any sums paid by **us** to **you** in respect of the claim; and

A relevant event is whatever gives rise to **our** liability under this **policy** (such as the occurrence of a loss, the making of a claim, or the notification of a potential claim); and
- (ii) **We** need not return any of the **premium** paid.

20. Information You Have Given Us

answering any questions **we** ask by ensuring that any information provided is accurate and complete.

If **we** establish that **you** deliberately or recklessly provided **us** with untrue or misleading information **we** will have the right to:

- a. treat this **policy** as if it never existed;
- b. decline all claims; and
- c. retain the **premium**.

If **we** establish that **you** carelessly provided **us** with untrue, misleading information or a **non-disclosure** **we** will have the right to:

- (i) treat this **policy** as if it never existed, refuse to pay any claim and return the **premium** **you** have paid, if **we** would not have provided **you** with cover;
- (ii) treat this **policy** as if it had been entered into on different terms from those agreed, if **we** would have provided **you** with cover on different terms;
- (iii) reduce the amount **we** pay on any claim in the proportion that the **premium** **you** have paid bears to the **premium** **we** would have charged **you**, if **we** would have charged **you** more.

We will notify **you** in writing if (i), (ii) and/or (iii) apply. If there is no outstanding claim and (ii) and/or (iii) apply, **we** will have the right to:

- (1) give **you** thirty (30) days' notice that **we** are terminating this **policy**; or
- (2) give **you** notice that **we** will treat this **policy** and any future claim in accordance with (ii) and/or (iii), in which case **you** may then give **us** thirty (30) days' notice that **you** are terminating this **policy**.

If this **policy** is terminated in accordance with (1) or (2), **we** will refund any premium due to **you** in respect of the balance of the **period of cover**.

21. Right to Recovery

- a. If **we** over-pay any claim for benefits under this **policy** for any reason, **we** shall have the right to a prompt refund and to recover the amount of over-payment from **you**, or the third party to whom the over-payment was made, as the case may be.

- b. If **you**, or the relevant third party, do/does not promptly make any such refund to **us**:
- (i) **We** may reduce or deduct the amount due from any future claim under this **policy**;
 - (ii) **We** may cancel this **policy** by giving thirty (30) days' notice in writing to **your** last known mailing address or **your** email address.

22. **Claims Liability**

Payment of a claim is not necessarily an indication of **our** acceptance of liability for the claim or confirmation that further costs for the same **medical condition**, or any related **medical condition** will be met.

23. **Arbitration**

All disputes and differences arising under or in connection with this Contract of Insurance between **us** and the **policyholder** shall be referred to arbitration under ARIAS (UK) Arbitration Rules.

The Tribunal shall consist of three (3) arbitrators, one (1) to be appointed by the claimant, one (1) to be appointed by the Respondent and the third to be appointed by the two (2) appointed arbitrators. The third member of the Tribunal shall be appointed as soon as practicable (and no later than twenty-eight (28) days) after the appointment of the two (2) party-appointed arbitrators.

The Tribunal shall be constituted upon the appointment of the third arbitrator. The arbitrators shall be persons (including those who have retired) with not less than ten (10) years' experience of insurance or reinsurance within the industry or as lawyers or other professional advisers serving the industry.

Where a party fails to appoint an arbitrator within fourteen (14) days of being called upon to do so or where the two (2) party-appointed arbitrators fail to appoint a third within twenty-eight (28) days of their appointment, then upon application ARIAS (UK) will appoint an arbitrator to fill the vacancy. At any time prior to the appointment by ARIAS (UK) the party or arbitrators in default may make such appointment.

The Tribunal may in its sole discretion make such orders and directions as it considers necessary for the final determination of the matters in dispute. The Tribunal shall have the widest discretion permitted under the law governing the arbitral procedure when making such orders or directions.

The seat of arbitration shall be London, England.

24. **Subrogation**

We retain all rights of subrogation. Other than with **our** written consent **you** have no entitlement to admit liability for any eventuality or give promise of any undertaking which is binding upon **you** or **us**. Any amount recovered by **us** shall first be used to pay the costs and expenses of collection incurred by **us**, including reasonable lawyer's fees, and for **reimbursement to us** for any amount that **we** may have paid or become liable to pay under **your policy**. Any remaining amounts recovered shall be paid to **you** or other persons lawfully entitled thereto, as applicable. **We** shall be entitled to conduct all proceedings arising out of, or in connection with, claims in **your** name and to have full discretion in the conduct of such proceedings, including (but not limited to) instructing lawyers of **our** own choice for any such purpose.

25. **Acceptance Clause**

We are entitled to refuse to accept an **application** from any person without giving a reason. **We** reserve the right to apply additional **endorsements** or **premium** increases or to change any existing **policy** terms to take into account any information **you** provide to **us** in **your application** or at renewal of **your policy**.

26. **Compliance with Policy Terms and Conditions / Compliance with Your Policy**

We shall not be liable under **your policy** in the event of any failure by **you** to comply with the terms and conditions of this **policy**.

27. USA Coverage

- (i) **your country of residence** and **your country of nationality**; or
- (ii) **your country of residence** and **you** are a **USA lawful permanent resident**

Underwriting

By applying for and accepting this cover, **you** have represented that **you** understand and accept that cover under this **policy** is not available in the USA in the above circumstances. **We** reserve the right to review coverage in line with the change of risk and cancellation clauses of this **policy** and not to offer **you** or any other **insured person** continued cover in the USA in such circumstances.

Cover under this **policy** is not intended to operate as a substitute of, and will not substitute, any locally mandated coverage for which **you** are responsible. - apply special terms to **your** cover, such as personal medical exclusions
- decline to offer **you** cover

Please note, **we** may refuse to accept an **application** without giving a reason.

Please see general exclusion 62.

HOW TO MAKE A CLAIM

Full details of how to make a claim can be found online at 'MyALC' www.alchealth.com

OUT-PATIENT TREATMENT - Reimbursement

Please note that all **out-patient treatment** relating to **psychiatric illness** requires **pre-authorisation** (see below) and **we** reserve the right to decline the claim in full if **treatment** is not **pre-authorised**.

For all other **out-patient treatment**, there is no obligation for **you** to seek **pre-authorisation** and, where the **policy** does not stipulate that **pre-authorisation** is required, **you** may be asked to pay and claim. **You** may go to **your medical practitioner** or **specialist** for consultations or **treatment** and submit **your** claim for **reimbursement**. **You** will need to complete a claim form which **you** can submit online together with **your** invoices and receipts and any additional medical information that has been provided to **you**.

Please note that there may be times when **we** need more detailed medical information to establish that **your** claim is eligible for cover.

On these occasions **we** will send **you** a Medical Certificate for completion by **your** treating **medical practitioner** or **we** may, with **your** written permission, contact **your** usual family **medical practitioner**, treating **medical practitioner** or **specialist** directly. **You** can also download a Medical Certificate from **our** website at www.alchealth.com to take with **you** to **your** appointment to avoid delays later.

You will need to complete the first part of the form and then pass it to **your medical practitioner** or **specialist** to complete their section before submitting to **us** by fax, post, email or online.

OUT-PATIENT TREATMENT – Psychiatric Illness Pre-authorisation

Before **you** proceed with **treatment** of a **psychiatric illness**, **you** must contact **us** to seek **pre-authorisation**. **You** can **pre-authorise your** claim before **you** visit **your medical practitioner** or **specialist** by calling **us** on:

Request online via 'MyALC'

+44 (0) 330 333 6686 or by using the relevant local or free phone numbers detailed on the back of **your** membership card.

Please note that there may be times when **we** need detailed medical information to establish that **your** claim is eligible for cover and **we** may, with **your** written permission, contact **your** usual family **medical practitioner**, treating **medical practitioner** or **specialist** directly. **We** will confirm what benefits **you** are eligible for, how much **you** are able to claim and what **you** should do next. If **your** claim is eligible for cover and **pre-authorised** by **us**, **you** will be given a **pre-authorisation** number. **You** will also receive a copy of the **guarantee of payment** **we** may send to the **medical practitioner, specialist** or **hospital**.

Where possible, please apply for **pre-authorisation** at the earliest time and no later than FIVE (5) WORKING DAYS prior to **your** appointment.

You can send any invoices and receipts and any additional medical information that has been provided to **you**, quoting **your pre-authorisation** number online via 'MyALC'.

PLANNED IN-PATIENT & DAY-PATIENT TREATMENT

All **in-patient** and **day-patient treatment** must be **pre-authorised**.

If **treatment** is not **pre-authorised** by **us**, **we** reserve the right to decline **your** claim.

If **your treatment** is not **pre-authorised** and **your treatment** is subsequently proven to be covered under the terms and conditions of **your policy**, **we** will pay only 50% of eligible benefits.

Please ensure that **you** apply for **pre-authorisation** of planned **in-patient & day-patient treatment** at the earliest time and no later than FIVE (5) WORKING DAYS prior to the admission or **treatment** appointment. Please see below in relation to **emergency** admissions.

You can **pre-authorise your** claim before **you** visit **your medical practitioner** or **specialist** or **hospital** by calling **us** on:

+44 (0) 330 333 6686

or emailing: GMPIPreauth@imglobal.com

Alternatively, **you** can go to our website at www.alchealth.com and request **pre-authorisation** by completing the online submission form.

Once **we** have all the required information and have confirmed that **your** claim is eligible, where possible, **we** will issue a **guarantee of payment** to the **medical practitioner, specialist** or **hospital** and **you** will also receive a copy. **Your medical practitioner, specialist** or **hospital** should send their invoices to **us** for payment along with a copy of the **guarantee of payment**, **we** can then arrange to make direct payment to them and will send **you** a statement to confirm this has been done. Please ensure **you** allow **us** to settle all agreed **treatment** directly with the **hospital** so **we** can ensure costs are **reasonable and customary**.

In some circumstances, **you** may need to pay the **medical practitioner, specialist** and/or **hospital** upfront for the eligible **treatment** directly. In these cases, once **we** have confirmed that **your** claim is eligible, **you** must forward **your** paid accounts directly to **us** by online submission at 'MyALC' or post, fax, email attachment or online submission and **we** will send the payment (and statement) to **you** instead. Please ensure that **you** include **your pre-authorisation** number on any correspondence and that **your** registered bank account details are up-to-date.

If possible, please make sure that when **you** are admitted to **hospital** **you** give them **your** membership card as this will help **us** to deal with them directly.

We recommend that **you** ensure a relative, close friend or colleague is aware of **your** medical insurance arrangements and that **you** carry **your** membership card at all times. In the event of an **emergency** admission where **you** are not in a position to notify **us**, **hospitals** may need access to this and will, where necessary, check **your** personal belongings to discover it.

TREATMENT WITHIN THE UNITED STATES OF AMERICA – Within Area 3 Cover

You are free to choose the **medical practitioner, specialist or hospital** and location for **your treatment** within **your area of cover**. It is not a requirement of **your policy** that **you** seek **treatment** or supplies exclusively from a provider within our network of providers (**Preferred Provider Organisations (PPO Network)**).

However, if **you** choose to have **treatment** with a provider that is not within **our PPO Network**, this may affect the scope and extent of benefits available under **your policy**. Any **policy excess** amount due will be deducted in addition to a 50% **co-insurance**, as set forth in ‘The Cover’.

A directory of providers within the USA **PPO Network** is available to **you** online at ‘MyALC’ www.alchealth.com. **You** will need to give the provider **your** Membership Card, which includes **our PPO Network** logo.

For Emergency Treatment and Emergency Treatment Outside of Area of Cover

We understand there may be times when **you** are in an **emergency** situation and unable to determine which **hospital you** are admitted to. On these occasions, our specialist team will be there to support **you** and there may be alternative **PPO Networks** who **we** are contracted with separately and may be able to provide repricings, discounts or reduced charges for **treatment** provided to **you**. We will need detailed medical information to support the need to receive **treatment** outside of our usual **PPO Network** and, once **we** have confirmed our cover decision, **we** will be able to confirm any reductions in overall costs and will waive any and all applicable **co-insurance** detailed in ‘The Cover’.
