11 Third Party Rights

This **policy** is an agreement between **us** and the **policyholder**. It is not intended that any clause or term of this policy should be enforceable, by virtue of the Contract (Rights of Third Parties) Act 1999, by any other person, including any **dependant**. However this does not affect any right of a third party which exists or is available apart from that Act.

12 Economic Sanctions

We will not cover any person as an **insured person** if such cover would result in **us** being exposed to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws, or regulations of the European Union, United Kingdom or United States of America.

13 Changing your level of cover

If **you** effect **Out-patient Treatment** at a **renewal date** after **your date of entry**, any existing **medical condition** or related condition will be limited to **In-patient** or **Day-patient Treatment** only.

14 Adding a Newborn Child

Children will be accepted from birth without the need for medical underwriting, provided that **we** receive notification of their arrival within thirty (30) days from birth. Please ensure **you** submit **your** request in writing by email to **us** at: privateclient@alchealth.com. Notification received after this period will result in children being accepted for cover from the date of such notification.

15 Contacting Dependants

All communication in respect of claims made under this **policy** will be with the **policyholder** and/or the **dependant**. For claims relating to **dependants**, all communication will be with the **dependant** if they are aged over sixteen (16) years of age at the time of the communication, unless permission has been given to the **policyholder** by the **dependant** that claims communication can be with the **policyholder**.

16 Foreign Exchange Adjustments

Foreign Exchange Adjustments on claim payments - **we** will pay the cost of **treatment** in the currency incurred. **We** will use the foreign exchange rates available to **us** on the date of **treatment** to determine the benefit level available. **We** will calculate the cost of the **treatment**, incurred in the **policy** currency, including any foreign exchange charges and will deduct the total sum from the amount of benefit available and will notify **you** of the amount of benefit remaining (if any) in the **policy** currency. Note that in some circumstances, depending on currency movements over which **we** have no control, this may result in there being insufficient benefit available to fully pay for the **treatment** received.

17 Policy Suitable for Use

You should ensure that this **policy** will cover **you** in **your country of residence**, as some countries require residents to take out health cover through a local provider or to hold cover which meets certain compulsory requirements. The cover offered by **us** may not meet these country specific requirements and therefore additional cover may be necessary.

18 Evidence Required

You must provide any relevant information **we** ask for to support **your** claim and in the event that **we** do not receive this information **we** may reject or withhold payment until the information **we** require has been received.

19 Fraud

If **you**, or anyone acting for **you**, makes a fraudulent claim, for example a loss which is fraudulently caused and/or exaggerated and/or supported by a fraudulent statement or other device, **we**:

- will not be liable to pay the claim; and
- may recover from **you** any sums paid by **us** to **you** in respect of the claim; and
- may by notice to **you** treat this **policy** as having been terminated with effect from the time of the fraudulent act.

If **we** exercise **our** right under (c) above:

- We** shall not be liable to **you** in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to **our** liability under this **policy** (such as the occurrence of a loss, the making of a claim, or the notification of a potential claim); and
- We** need not return any of the premium paid.

20 Information You Have Given Us

In deciding to accept this **policy** and in setting the terms including premium **we** have relied on the information which **you** have provided to **us**. **You** must take care when answering any questions **we** ask by ensuring that any information provided is accurate and complete.

If **we** establish that **you** deliberately or recklessly provided **us** with untrue or misleading information **we** will have the right to:

- treat this **policy** as if it never existed;
- decline all claims; and
- retain the premium.

If **we** establish that **you** carelessly provided **us** with untrue or misleading information **we** will have the right to:

- treat this **policy** as if it never existed, refuse to pay any claim and return the premium **you** have paid, if **we** would not have provided **you** with cover;
- treat this **policy** as if it had been entered into on different terms from those agreed, if **we** would have provided **you** with cover on different terms;
- reduce the amount **we** pay on any claim in the proportion that the premium **you** have paid bears to the premium **we** would have charged **you**, if **we** would have charged **you** more.

We will notify **you** in writing if (i), (ii) and/or (iii) apply.

If there is no outstanding claim and (ii) and/or (iii) apply, **we** will have the right to:

- give **you** thirty (30) days' notice that **we** are terminating this **policy**; or
- give **you** notice that **we** will treat this **policy** and any future claim in accordance with (ii) and/or (iii), in which case **you** may then give **us** thirty (30) days' notice that **you** are terminating this **policy**.

If this **policy** is terminated in accordance with (1) or (2), **we** will refund any premium due to **you** in respect of the balance of the **Period of Cover**.

21 Right to Recovery

(a) If **we** over-pay any claim for benefits under this **policy** for any reason, **we** shall have the right to a prompt refund and to recover the amount of over-payment from **you**, or the third party to whom the over-payment was made, as the case may be.

(b) If **you**, or the relevant third party, do/does not promptly make any such refund to **us**:

- We** may reduce or deduct the amount due from any future claim under this **policy**;
- We** may cancel this **policy** by giving 30 days notice in writing to **your** last known mailing address or **your** e-mail address.

22 Claims Liability

Payment of a claim is not necessarily an indication of **our** acceptance of liability for the claim or confirmation that further costs for the same **medical condition**, or any related **medical condition** will be met.

HOW TO MAKE A CLAIM

Full details of how to make a claim can be found online at 'MyALC' www.alhealth.com/claims.htm

OUT-PATIENT TREATMENT - Reimbursement

Please note that all out-patient treatment relating to psychiatric illness requires pre-authorisation (see below) and we reserve the right to decline the claim in full if treatment is not pre-authorised.

For all other out-patient treatment, there is no obligation for you to seek pre-authorisation. You may go to your medical practitioner or specialist for consultations or treatment and submit your claim for reimbursement. You will need to complete a claim form which you can submit online together with your invoices and receipts and any additional medical information that has been provided to you.

Please note that if you follow this process there may be occasions when we need more detailed medical information to establish that your claim is eligible for cover.

On these occasions we will send you a Medical Certificate for completion by your treating medical practitioner or we may, with your written permission, contact your usual family medical practitioner, treating medical practitioner or specialist directly. You can also download a Medical Certificate from our website at www.alhealth.com/claims.htm to take with you to your appointment.

You will need to complete part of the form and then pass it to your medical practitioner or specialist to complete their section before submitting to us by fax, post, email or online.

OUT-PATIENT TREATMENT – Pre-authorisation

If you wish to confirm in advance that your out-patient treatment is covered, you can pre-authorise your claim before you visit your medical practitioner or specialist by calling us on:

Request online via 'MyALC'

+44 (0) 330 333 6686 or by using the relevant local or free phone numbers detailed on the back of your membership card.

We will confirm how much you are able to claim and what you should do next. If your claim is eligible for cover and pre-authorised by us, you will be given a pre-authorisation number. You will also receive a copy of the Guarantee of Payment we may send to the medical practitioner, specialist or hospital. Where possible, please apply for pre-authorisation at least FIVE WORKING DAYS prior to your appointment.

You can send any invoices and receipts and any additional medical information that has been provided to you, quoting your pre-authorisation number online via 'MyALC'.

PLANNED IN-PATIENT & DAY-PATIENT TREATMENT

All in-patient and day-patient treatment must be pre-authorised.

If treatment is not pre-authorised by us, we reserve the right to decline your claim.

If your treatment is subsequently proven to be covered under the terms and conditions of your policy, we will pay only 50% of eligible benefits.

Please ensure that you apply for pre-authorisation of planned in-patient & day-patient treatment at least FIVE WORKING DAYS prior to the admission or treatment appointment. Please see below in relation to Emergency Admissions.

You can pre-authorise your claim before you visit your medical practitioner or specialist or hospital by calling us on

+44 (0) 330 333 6686

or emailing: preauthorisation@alhealth.com

Alternatively you can go to our website at www.alhealth.com/claims.htm and request pre-authorisation by completing the online submission form.

Once we have confirmed that your claim is eligible, where possible, we will issue a Guarantee of Payment to the medical practitioner, specialist or hospital and you will also receive a copy. Your medical practitioner, specialist or hospital should send their invoices to us for payment along with a copy of the Guarantee of Payment, we can then arrange to make direct payment to them and will send you a statement to confirm this has been done. Please ensure you allow us to settle all agreed treatment directly with the hospital so we can ensure costs are reasonable and customary.

In some circumstances, you may need to pay the medical practitioner, specialist and/ or hospital upfront for the eligible treatment directly. In these cases, once we have confirmed that your claim is eligible, you must forward your paid accounts directly to us by online submission at 'MyALC' or post, fax, email attachment or online submission and we will send the payment (and statement) to you instead. Please ensure that you include your pre-authorisation number on any correspondence and that your registered bank account details are up to date.

EMERGENCY ADMISSIONS

If you have an emergency situation and require immediate admission to hospital, our specialist team are there to support you. You can contact them on +44 (0) 330 333 6686 or you can ask someone to call them on your behalf.

If possible, please make sure that when you are admitted to hospital you give them your membership card as this will help us to deal with them directly.

We recommend that you ensure a relative, close friend or colleague is aware of your medical insurance arrangements and that you carry your membership card at all times. In the event of an emergency admission where you are not in a position to notify us, hospitals may need access to this and will, where necessary, check your personal belongings to discover it.
